

HEARTY GARDENS

A COMMUNITY GARDEN PROJECT

“There can be no other occupation like gardening in which, if you were to creep up behind someone at their work, you would find them smiling.” ~Mirabel Osler

It's that time of the year when gardeners' heads and hearts start to envision the coming season of mouth-watering produce, bounteous flowers, and fresh fruits. The Jefferson County Parks Department is offering a number of garden plots to members of the community again this year at Dorothy Carnes County Park. The garden is located at the park's east entrance off Banker Road and Jones Lane north of Fort Atkinson.

There are two plot sizes available:

10-foot x 10-foot @ \$12.50

10-foot x 20-foot @ \$25.00

Priority will go to those utilizing organic gardening practices.

The gardening area features a tool shed, shared gardening tools, access to water, and an abundance of gardening knowledge passed along from gardener to gardener. The plots go fast, so don't wait; rent yours today. Gardeners of all skill levels are encouraged to rent a plot. Anyone interested in renting a garden should either stop by the

Jefferson County Parks Department office at:

311 South Center Avenue, Room 204, Jefferson, WI 53549 or download an application at:
